Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You're a demon for details. There is no question in anyone's mind that you have got it all together, at least from an organizational standpoint. You are indeed cool, calm, and collected. Yet there is something missing. You yearn for contact and involvement. You need something to do and someone to care for. Talk about loving punishment -- you feel responsible for just about everyone, and tend to end up with some pretty hopeless cases. And we're talking major dreamers here. You can't resist them -- the woolier, the better. They need your help and can't seem to help themselves. The funny part is that you love it, and them!

Pisces on 7th Cusp

You have a penchant for dreamers, mystics, and the highly imaginative. You love to get carried away romantically, and your friends may find you are unrealistic and often disappointed. You like love right out of a romance novel, complete with a sense of mystery and otherworldliness. You value imagination in a lover, and probably love movies and music.

Strengths in your relationships

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Conjunction Uranus (orb: 02 58')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Conjunction Uranus (orb: 03 05')

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Conjunction Sun (orb: 03 45')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 04 36')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Conjunction Mars (orb: 06 03')

Challenges in your relationships

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Opposition Jupiter (orb: 03 59')

You may have difficulty expressing your feelings, with the result that tension accumulates to the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

Mars Square Saturn (orb: 05 45')

Report for Ryan Reynolds Your Relationship with Blake Lively

She has a healthy psychological effect on you. You probably have long and involved discussions, perhaps secluding yourself from the rest of the world for a time. Through knowing her you feel more accepting of the way life and the world are. She is supportive of the tendency in yourself to forgive and forget, to suffer the pangs and arrows of life in favor of its better qualities. When you are with her, you can become very accepting, tranquil, almost sweet.

Her Moon in Your Twelfth House

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Blake. She has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with her that they are not worth the hassle. She really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

Her Sun in Your Twelfth House

You probably have some very unusual communication with Blake. She is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with her. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. She tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

Her Mercury in Your Twelfth House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. She manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Blake's "light" your better qualities get exposed. She appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

Her Venus in Your Twelfth House

Blake has the effect of moving you to give up old habits and unwanted traits. She motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, she may tend to badger and shame you a bit. All in all, her influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

Her Mars in Your Twelfth House

The two of you relate very directly with one another. She may have led the way in this regard. There are no secrets between you. All of the superficial is quickly brushed aside, and words are not always needed between you. There is a strong passionate or sensual side to this relationship. Blake could be an excellent business partner for you. She has good sense and a nose for what counts and is worthwhile.

Her Jupiter in Your Eighth House

Blake may tend to put a damper on the conversation. No matter how bright you may be feeling, she probably remains cool to any of your eloquence -- despite it. She is a person of few words when it comes to you. On the other hand, she causes you to cut back on the outflow of words and to think about what you're saying. You have to work to get your words out. There could definitely be a communication problem here.

Her Saturn in Your Third House

Blake could be your key to off-beat life styles, alternate ways of living, and new-age homes. Perhaps your home life and day-to-day routine has changed since you first met her. She may encourage you to try different methods of child-rearing, homesteading, or family methods. The traditional life style is just not Blake's way.

Her Uranus in Your Fourth House

You share a sense of the unity of life, and this could mean a very happy, almost dreamy domestic scene. There is a tendency to lose yourself in dreams and fantasies, so strong is your imagination when you are together. You could make very beautiful music together. You may have to be a little careful not to get carried away with all of this and neglect your responsibilities (the details of life).

Her Neptune in Your Fourth House

She may be responsible for a deep change in your values, all that you consider important in life. This may involve some very sensitive issues and real self-facing on your part. Through knowing her, your status in the world (especially in regard to finances) could undergo a transformation. She may help you strip away many unessential qualities and concentrate on those resources that can actually benefit you.

love it.

Strengths in your relationships

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Conjunction Mars (orb: 00 04')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Sextile Pluto (orb: 00 35')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 00 37')

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Trine Neptune (orb: 01 37')

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career

problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Trine Jupiter (orb: 02 02')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Trine Jupiter (orb: 02 05')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Trine Neptune (orb: 02 59')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Trine Neptune (orb: 03 36')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Trine Neptune (orb: 03 40')

You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Conjunction Mars (orb: 05 17')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Sextile Pluto (orb: 05 23')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Challenges in your relationships

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 01 38')

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

Mercury Square Saturn (orb: 07 35')

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.
